

We are pleased to welcome you to the

Nimrod ** Biohotels and Biorestaurants, Bio-shops, Karcag!**

The first Hungarian bio hotel was opened on November 2008 with 14 double elegant, comfortable rooms and 4 four bright, spacious suites for our guests Karcag city centre, easily accessible, quiet location. The Nimród**** Biohotel and Biorestaurant await the guests with hunter- and health centric furniture and delicious organic meals speciality.

The establishment operates as a bio-hotel where furniture, mattresses and several everyday-objects are made from natural raw material. Cleaning agents, detergents and washing agents offered to our guests are made from environment friendly materials so as not to damage our environment.
